Info Pack

Video requirements:

- Video should be recorded in March
- The camera should be positioned in landscape and fixed straight in front of the athlete in the starting position.
- The camera should be placed at a height of 110-130 cm from the ground (approximately at the height of the eyes of a referee who is sitting in a chair).
- The distance of the camera from the athlete should allow the athlete to remain within the frame during the pattern execution, but not too far that they cannot be seen clearly.
- No zoom is allowed on the athlete's movements.
- If during the execution of a technique the athlete goes out of the frame, the camera can be panned to follow the athlete, but it cannot zoom in or move from the original point.
- The athlete should choose a space which allows them to perform the pattern without interruption and obstacles.
- The athlete must wear a Dobok.
- The athlete must be barefoot.
- The video should have sound (the athlete's breath control must be clear)
- The video must be uninterrupted and may not be a compilation of any kind. Otherwise, the athlete will be disqualified.
- Any interference or enhancements of the video are prohibited and deviations from the following Presentation Process will be disqualified.

Presentation process:

Each performance should follow this order:

1. Video starts at "Charyot, Kyong-Ye".
2. The athlete greets "Taekwon".
3. The athlete takes the "Junbi" position for the pattern which will be performed.
4. Performance starts.
5. After the pattern is completed and after shouting the name of the pattern, the athlete returns to the "Junbi" position and waits 2-3 seconds in this position.
6. End of the video.

How to register & upload video:

1. Create a new account:
 - Enter your e-mail
 - Your password
 - Confirm you are not robot (by ReCAPTCHA)
2. Select your category – click on "Sign Up"
3. By clicking on "Upload your video" then "Choose File" and "Upload", upload one or two videos based on your category. The optional pattern must be uploaded first. Once uploaded, click on "Save".
4. If you select the wrong category by mistake, press "Leave" and select the proper one again.

Note: Be careful about the maximum file size 500MB as well as the video file formats. If you have any issue with uploading the video, use different internet browser.

Prizes:

- All competitors will receive a certificate with their name.
- Medalists will receive a diploma with their name and place.
